Once your order has been picked, you will receive a phone call to schedule a pickup date and time as well as make payment arrangements. We will be accepting payments via Credit Card (Visa or Mastercard) and E-Transfer over the phone, Cash (exact change only) will be accepted at time of pickup. **All orders must be picked up 24-72 hours from the time the order is placed.** Due to the sensitive nature of dealing with live product, we can only guarantee your order will be fulfilled exactly as specified on your form on the day we call to make arrangements. Please know it is our goal to supply you with your exact order and we will only make substitutions with your approval.

### Changes

Should you need to make any changes to your order, please contact us by phone or email as soon as possible.

### Pickup

When you arrive for your scheduled pickup, please park in one of the designated 6 parking stalls located at the front of the greenhouse. Call us from your vehicle at (204) 377-4480 to let us know you have arrived, we will then bring your order out, and place it on our sanitized table for you to then load yourself. **Please take the time as you load your plants into your vehicle to make sure everything is what you ordered and it is up to your quality. That is the time to let us know as we can exchange or return the product, as once it has left the greenhouse there will be no exchanging or returns on all plants or merchandise this year for the safety of our staff.**

On page 19 is a comments section, please let us know if there is something you haven't found or any other questions you may have. Need a more urgent answer to your questions? Get in touch with us at (204) 377-4480 or [GPGreenhouseOrders@gmail.com](mailto:GPGreenhouseOrders@gmail.com).
